

3rd Annual Conference of the Oklahoma Natural Resources Conference

February 22-24, 2017

Tulsa

Dear Outdoor Enthusiasts,

In February, nearly 275 people from throughout Oklahoma will gather in Tulsa for the annual Oklahoma Natural Resources Conference.

These fish, wildlife and rangeland professionals will spend two and a half days in Tulsa to learn, share and shape the state dialog on hunting, fishing and outdoor recreation.

**The Oklahoma Natural Resources Community is inviting you to
become a sponsor of this important event!**

A UNIQUE OPPORTUNITY

Your sponsorship of the 2017 Oklahoma Natural Resources Conference will help provide the training and exchange of ideas necessary for wildlife, fisheries and rangeland management, research techniques, wildlife and information.

You are among the companies and individuals that we hope will join this effort and provide financial support to the conference. The Oklahoma Chapters of The Wildlife Society, American Fisheries Society, Society for Range Management, Oklahoma Invasive Plant Council, Prescribed Fire Council, the Soil and Water Conservation Society, Oklahoma Ornithological Society, Oklahoma Game Warden Association and the Oklahoma Division Society of American Foresters goal is to raise enough in donations so that, along with registration fees, all the conference costs will be fully funded.

SPONSORSHIP OPPORTUNITIES

Sponsors will receive various levels of visibility at the conference, based upon the level of their support.

- ***Platinum Level*** — \$8,000.
- ***Gold Level*** — \$5,000.
- ***Silver Level*** — \$2,000.
- ***Bronze Level*** — \$1,000.
- ***Conference Supporter*** — \$750.

Enclosed is a Sponsor Form that you may fill out and return to the address provided, and a list of the ways you will be recognized as our sponsor at the conference. Also, there are opportunities to purchase exhibitor space for and advertise in the conference program.

Another way to contribute is with ***in-kind donations***. For details, please contact Kristen Gillman.

Please consider becoming a sponsor of this major undertaking. And if you know of others who would also like to partner with us, we urge you to share this information with them.
