

6nd Annual Conference of the Oklahoma Natural Resources Conference

February 10-12, 2020

Norman

Dear Outdoor Enthusiasts,

In February, over 300 people from throughout Oklahoma will gather in Norman for the annual Oklahoma Natural Resources Conference.

These fish, wildlife and rangeland professionals will spend two and a half days in Norman to learn, share and shape the state dialog on hunting, fishing and outdoor recreation.

**The Oklahoma Natural Resources Community is inviting you to
become a sponsor of this important event!**

A UNIQUE OPPORTUNITY

Your sponsorship of the 2020 Oklahoma Natural Resources Conference will help provide the training and exchange of ideas necessary for wildlife, fisheries and rangeland management, research techniques, wildlife and information.

You are among the companies and individuals that we hope will join this effort and provide financial support to the conference. The Oklahoma Chapters of The Wildlife Society, American Fisheries Society, Society for Range Management, Oklahoma Invasive Plant Council, Prescribed Fire Council, the Soil and Water Conservation Society, Oklahoma Ornithological Society and the Oklahoma Division Society of American Foresters goal is to raise enough in donations so that, along with registration fees, all the conference costs will be fully funded.

SPONSORSHIP OPPORTUNITIES

Sponsors will receive various levels of visibility at the conference, based upon the level of their support.

- ***Platinum Level*** — \$8,000.
- ***Gold Level*** — \$5,000.
- ***Silver Level*** — \$2,000.
